Spring in the Garden: Come and Enjoy

On this sunny end of April, I am reminded of how beautiful our outdoor space is with the lawn and the spring flowers striving to burst forth with their colourful blooms.

I would like to take this opportunity to welcome Thomas Dickson, who will be our Summer Groundskeeper once again this year. I invite you to drop by and just spend some time sitting on a bench or walking through the church grounds and reflect on God's blessings in our lives.
